

Women in STEM Scholarship

Awarded by Brittany Mott, MD – Moravia High School graduate Class of 2006

Women are underrepresented in careers of Science, Technology, Engineering, and Math (STEM). This scholarship is to encourage and support the advancement of STEM careers in women. This will be awarded to a female Moravia High School Senior who has excelled in classes and/or extracurriculars in STEM and is goal directed to pursue a future career in STEM. The recipient will be awarded \$1000.

Requirements:

1. One page essay describing interest and goals of earning a career in STEM.
2. One letter of recommendation from faculty.
