May 25, 2022

Dear Moravia students, staff, families and community,

We are deeply saddened and shocked to have learned about the horrific shooting at an elementary school in Uvalde, Texas that occurred Tuesday. Our hearts and thoughts go out to the victims of this senseless tragedy and their families.

At Moravia, safety and security of our students and staff is and always will be our top priority.

The Board of Education made a commitment in this year's budget to add additional security personnel for the district to provide coverage at both buildings at all times moving forward. As part of the recent capital improvement project we invested in secured entries, visitor management, and increased camera surveillance district-wide.

Additionally, we are continually modifying and updating our security plans in partnership with local officials and our district safety committee, and we routinely practice drills for emergency situations inside the classroom.

Our counseling team will be available throughout the coming days to assist any students who are dealing with grief or stress related to these events.

Additional resources for educators and parents that may be of use can be found on our website at <https://www.moraviaschool.org/schoolsafetyresources>. Be safe and please feel free to reach out if you have any concerns.

Sincerely yours,

John P. Birmingham
